

Adult Agreement

Safe School Ambassadors® Program

Experience in hundreds of schools has shown that the commitment and follow-through of the adults is the single most crucial factor in the success of the Safe School Ambassador program at a school site.

It is in everyone's best interest that each person understands what is required of him/her. Please √ each item that applies to you, sign the bottom, keep a copy for yourself, and return the other to the Program Advisor.

I will attend the two-day initial Ambassador training, to be held

Dates: _____

Times: _____

Location: _____

I understand that my presence is required for the entire training, and (except for emergencies) agree to check in on my other responsibilities only during breaks.

I will attend the Family Group Facilitator Training, held during **the hour following each day of the Ambassador training.**

I have read the "Thank You" memo that describes my role during the training, and agree to lead a table group of roughly 6 students.

After the training, I will serve as Family Group Facilitator. I will:

- meet with 7-9 Ambassadors in my group at least twice a month;
- collect and handle Ambassadors' Action Logs (and Meeting Record) according to the process agreed to by the Program Management Team (Family Group Facilitators, Program Advisor, and Administrator-in-Charge) after the training;
- attend meetings of the Program Management Team – approximately 45-60 minutes every 4-6 weeks.
