

Student Survey

Name: _____

What grade are you in? _____

Please write first AND LAST names of students below.

1. Who is the leader of your group of friends at this school?
2. What students at our school do you and other students listen to, pay attention to?
3. What students at our school do you admire or look up to?
4. If you had a personal problem or concern (maybe about something that's happening in your family), what students at this school would you talk to for advice or help?
5. What students at our school could you count on to "be there" for you, to "stand by you"?
6. What students at our school are willing to express their opinions or ideas, even if those ideas are not popular?
