**Program Permission Slip  
Safe School Ambassadors®**

To the Parent(s)/Guardian of \_\_\_\_\_,

Your child has been recommended to be a member of a new group that is forming at our school called Safe School Ambassadors.

**What is the Safe School Ambassadors Program?**

Schools across the country recognize that students are very influential with their peers. They play a key role in establishing the emotional climate and shaping the behavioral norms on a school campus. In addition, students know what is going on behind the scenes in school; they often know who needs help, who is angry, sad or hurting, and who is being left out. The Safe School Ambassadors program harnesses the power of positive student influence to reduce bullying and mistreatment to make our campus a more safe and nurturing place, where we can maintain high student achievement. We are pleased to invite your child to participate in this effort.

**When and where will the training be conducted?**

The Safe School Ambassadors training will take place on two days \_\_\_\_\_ from \_\_\_\_\_ a.m. to \_\_\_\_\_ p.m. at \_\_\_\_\_. After the training, Ambassadors typically meet once a week for 15-30 minutes for additional training, supervision, and support. By signing below, you give your child permission to participate in this program and attend the two-day training. If you have any questions, please call the Safe School Ambassadors' Program Advisor, \_\_\_\_\_ at \_\_\_\_\_.
